### **PRESIDENT'S MESSAGE**

Our next meeting is Thursday, February 11 at St. Mary's.

The Cancer Auction is just around the corner. If you can donate some material please bring it to the meeting or make arrangements with George. It is best to have materials in early so your donation can be lotted correctly and entered in the mailed auction list.

The Board had some additional discussions about the PhilaQuad after the January meeting. The plan is to post the PhilaQuad to the club website and send an email to members to let them know that it is now posted and available. Those members who do not have access to email or prefer a hard copy can still get a copy mailed to their home. It would be helpful if you bring your email address to the meeting and let us know your preference. We hope this change will help keep the cost and labor of printing and mailing the PhilaQuad under control.

We are still working on a member directory. A request to verify information was included with the PQ in December. Name, address, email address, telephone number and collecting interests were requested along with an indication of whether or not you would like to be included in the directory. We are shooting for publication in March and hope for some progress in February.

Hope to see you at the meeting.

Andy

**THE PHILA-QUAD**  
Is the monthly publication of
